

Welcome to J.T. Costelloe's! Here, we recognize that without our customers, our business would not exist. So, THANK YOU for choosing us!

Let us tell you a little about ourselves... On June 1, 1996, after retiring from L.L.C.C., John "Coz" Costello opened Coz's Pizza & Pub in a converted pole barn in Curran Illinois, just a few miles west of White Oaks Mall on Route 36. Mrs. Coz served as a bartender and Tim, then 14 years old, assisted in the kitchen, washing dishes and bussing tables.

This restaurant sat about 35 patrons including a bar for five. Within a few months it was clear the place was too small to accommodate the crowds. With standing room only, patrons chose to place carry-out orders. One particular evening, a family of four was observed hovering over the hood of their car, dining on a 16" pizza. So, on June 1, 2000, the Costello's opened a newly constructed building on Ash Grove Drive in Pleasant Park known as Coz's Pizza. The building sat over 130 patrons with a lounge that served 28.

At the same time, Coz introduced his frozen pizza line and in 2002 he opened a factory just west of Springfield. In 2009, the Costello's sold Coz's Pizza to focus on the frozen line.

Then in 2011, Tim expressed interest in returning to the retail side of the business so Coz closed the frozen pizza operation and they opened J.T. Costelloe's in Piper Glen. June 1, 2016 marks 20 years of the Costello's serving up their famous thin-crust Chicago Style pizza to central Illinois. **Now about the pizza...**
